What classes are you interested in registering for?

- Day School
- Group Training Classes

Bark Tutor utilizes the most up to date, dog-friendly training techniques in our training program. Our instructors use a combination of lure/reward and clicker training to teach your dog appropriate human interaction skills and house manners.

Appropriate proof of vaccination required for all students. Rabies tags will not be accepted as proof of vaccination.

Our school is not appropriate for dogs that fight with or are reactive to other dogs, or are aggressive to people. Dogs that are disruptive and/or jeopardize the safety of others will be accepted into the school. If your dog has ever bitten another dog or human seriously enough to break skin, or has problems with other dogs, please call (317) 259-8336 before enrolling.

Thank you for filling out the Pre-Enrollment Application. A Bark Tutor Instructor will contact you with more information regarding our training school.
